

JOB DESCRIPTION

POSITION: Assistant Parking Manager

FLSA STATUS: Non-Exempt REPORTS TO: Site Manager

POSITION SUMMARY

The Assistant Parking Manager supports the Site Manager in the day-to-day duties and responsibilities required to efficiently and professionally operate the parking location(s). In addition, they are responsible for team member training and relations as well as enforcing all guidelines set forth in the APS Team Member Handbook.

ESSENTIAL DUTIES / RESPONSIBILITIES

- Maintain traffic and pedestrian control on front drive
- Assign and direct work (Communicate Occupancy, Ins, Outs, VIP's, Groups, Service and Safety as well as Meal and Rest Periods in accordance with the California State Law)
- Perform Crossing Guard duties:
 - Control vehicle and pedestrian movement
 - Monitor traffic flow to locate safe gaps through which pedestrians may cross streets
 - Direct and escort pedestrians across streets, stopping traffic as necessary
 - Direct traffic movement using stop signs, reflective wands, reflective vest, and hand signals
- Report site-specific daily revenue (Overnight and Day Charges, Vehicle Counts, REVPAS (Revenue Per Available Space))
- Maintain cleanliness of workplace (wipe down and disinfect all surfaces (such as keyboards, mouse, pens, desktops, etc.) and sweep front drive to clear all debris)
- Post up on the driveway (alert and at attention, no hands in pockets)
- Examine vehicles upon arrival for any possible damage when valet runners are not immediately available (notate any damages; perform disco, mark the ticket, retrieve manager signature and use stop signs at garage entrance and exit to capture 360° still image)
- Secure all electronic devices in glove box
- Ensure all valet runners close windows and lock doors
- Ensure key audits and garage audits are conducted and documented daily
- Enforce oversize vehicle policies and procedures
- Document absences, tardies and communications regarding employee performance

- Perform service recovery (resolve parking related guest service issues, report all servicerelated issues to site manager)
- Participate in hiring process (participate in interviews, process paperwork, etc.)
- Conduct training processes and assist supervisors who also conduct training
- Prepare payroll (daily/weekly/bi-weekly) and accounting reports on time and accurately
- Prepare weekly schedules and communicate to staff appropriately

OTHER DUTIES

- Fully understand APS policies and procedures / Refer to APS Employee Handbook
- Ensure team members meet APS Guest Customer Service and Safety standards (See APS Employee Service and Safety documents and APS Service Standard 4/5 Diamond Card)
- Understand the role and duties of all other positions at your site
- Seek shift coverage for out calls
- Claim management:
 - Maintain strong working knowledge of locating and completing claim documentation with appropriate verbiage
 - Abstain from interfering with management and customer interaction
- Team member injury management:
 - Maintain knowledge of nearest APS medical clinic location
 - Promptly address any employee injuries, including arranging transportation for medical care
 - Be able to locate and complete documents for on-the-job injuries
- Report and document all possible site hazards and/or issues to the property operations team immediately. Examples:
 - Oil spots
 - Potholes
 - Persons loitering
- Be aware of your working environment. Periodically observe your area for potentially dangerous individuals or obstacles and report suspicious activity
- See something, say something (report all non-life-threatening emergencies to Security and follow up with Site Manager)
- If an accident/incident occurs, do not interfere with supervisor/management and customer interaction
- Operate parking stacker machinery, if applicable

KNOWLEDGE, SKILLS AND ABILITIES (MINIMUM QUALIFICATIONS)

- Valid CA Driver's License
- Must have excellent customer service skills
- Must be able to multitask under pressure
- Arrive to work on time, in a suit, ready to work
- Know the key names AND positions of the APS client
- Know your APS management structure
- Understand Visitor policy and Fraternization policy
- Must be able to work overtime
- Attitude: Having a positive attitude at all times makes your job more enjoyable and keeps our customers happy
- **Honesty:** Honesty is imperative at APS; it is essential in building a successful workplace. Dishonesty will not be tolerated at our organization
- Teamwork: Helping each other, exchanging ideas, and working together make a successful team
- Hospitality: Being amicable and friendly to all customers and coworkers helps build a positive and comfortable environment
- **Presentation:** Maintaining a clean, orderly uniform and being neatly groomed not only helps the team member look better, it also makes you feel better and conveys a professional image
- Service: Service is what APS is here to perform, and it is what we sell
- **Discipline:** Knowing how to follow instructions is key to APS' success
- Respect: Respect everyone that you are in contact with
- Smile: Remember to smile; it is good for you and everyone around you

PHYSICAL DEMANDS

Please see below.

WORK ENVIRONMENT / CONDITIONS

Mostly outdoors, noise levels are low to moderate, weather conditions vary and intermittent dust/fume. Some general office conditions.

Nothing in this job description restricts management's right to add or reassign duties and responsibilities to this job at any time.

PHYSICAL ACTIVITIES & REQUIREMENTS, VISUAL ACUITY, AND WORKING CONDITIONS OF THE:

ASSISTANT PARKING MANAGER POSITION

1. The physical activity of this position:

□ A. Sitting. Must be able to remain in a stationary position for 50% of the time.
☑ B. Climbing. Ascending or descending ladders, stairs, scaffolding, ramps, poles and the like, using feet and
legs and/or hands and arms. Body agility is emphasized. This factor is important if the amount and kind of
climbing required exceeds that required for ordinary locomotion.
☐ C. Balancing. Maintaining body equilibrium to prevent falling and walking, standing or crouching on narrow,
slippery, or erratically moving surfaces. This factor is important if the amount of balancing exceeds that needed
for ordinary locomotion and maintenance of body equilibrium.
\square D. Stooping. Bending body downward and forward by bending spine at the waist. This factor is important if it
occurs to a considerable degree and requires full motion of the lower extremities and back muscles.
□ E. Kneeling. Bending legs at knee to come to a rest on knee or knees.
\square F. Crouching. Bending the body downward and forward by bending leg and spine.
☐ G. Crawling. Moving about on hands and knees or hands and feet.
☑ H. Reaching. Extending hand(s) and arm(s) in any direction.
M.I. Standing, Particularly for custoined periods of time

- ☑ I. Standing. Particularly for sustained periods of time.
- ☑ J. Walking. Moving about on foot to accomplish tasks, particularly for long distances or moving from one work site to another.
- ⊠ K. Pushing. Using upper extremities to press against something with steady force in order to thrust forward, downward or outward.
- ☐ L. Pulling. Using upper extremities to exert force in order to draw, haul or tug objects in a sustained motion.
- ☐ M. Lifting. Raising objects from a lower to a higher position or moving objects horizontally from position-to-position. This factor is important if it occurs to a considerable degree and requires substantial use of upper extremities and back muscles.
- ☑ N. Fingering. Picking, pinching, typing or otherwise working, primarily with fingers rather than with the whole hand as in handling.
- ☑ O. Grasping. Applying pressure to an object with the fingers and palm.
- ☑ P. Feeling. Perceiving attributes of objects, such as size, shape, temperature or texture by touching with skin, particularly that of fingertips.
- ☑ Q. Talking. Expressing or exchanging ideas by means of the spoken word. Those activities in which they must convey detailed or important spoken instructions to other workers accurately, loudly, or quickly.
- ☑ R. Hearing. Perceiving the nature of sounds at normal speaking levels with or without correction. Ability to receive detailed information through oral communication, and to make the discriminations in sound.
- ☑ S. Repetitive motion. Substantial movements (motions) of the wrists, hands, and/or fingers.

2. The physical requirements of this position:

- ☐ A. Sedentary work. Exerting up to 10 pounds of force occasionally and/or negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects, including the human body. Sedentary work involves sitting most of the time. Jobs are sedentary if walking and standing are required only occasionally and all other sedentary criteria are met.
- ☑ B. Light work. Exerting up to 20 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. If the use of arm and/or leg controls requires exertion of forces greater than that for sedentary work and the worker sits most of the time, the job is rated for light work.
- ☑ C. Medium work. Exerting up to 50 pounds of force occasionally, and/or up to 30 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects.
- ☐ D. Heavy work. Exerting up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force constantly to move objects.
- ☐ E. Very heavy work. Exerting in excess of 100 pounds of force occasionally, and/or in excess of 50 pounds of force frequently, and/or in excess of 20 pounds of force constantly to move objects.

3. The visual acuity requirements including color, depth perception, and field vision:

- ☑ A. The worker is required to have close visual acuity to perform an activity such as: preparing and analyzing data and figures; transcribing; viewing a computer terminal; extensive reading; visual inspection involving small defects, small parts, and/or operation of machines (including inspection); using measurement devices; and/or assembly or fabrication parts at distances close to the eyes.
- ☑ B. The worker is required to have visual acuity to perform an activity such as: operates machines, such as lathes, drill presses, power saws, and mills where the seeing job is at or within arm's reach; performs mechanical or skilled trades tasks of a non-repetitive nature, such as carpenter, technicians, service people, plumbers, painters, mechanics, etc.
- ☑ C. The worker is required to have visual acuity to operate motor vehicles and/or heavy equipment.
- ☑ D. The worker is required to have visual acuity to determine the accuracy, neatness, and thoroughness of the work assigned (i.e., custodial, food services, general laborer, etc.) or to make general observations of facilities or structures (i.e., security guard, inspection, etc.).

4. The conditions the worker will be subject to in this position:

- ☑ A. The worker is subject to environmental conditions. Protection from weather conditions but not necessarily from temperature changes.
- ☐ B. The worker is subject to outside environmental conditions. No effective protection from the weather.
- ☑ C. The worker is subject to both environmental conditions. Activities occur inside and outside.

- □ D. The worker is subject to extreme cold. Temperatures typically below 32 degrees for periods of more than one hour. Consideration should be given to the effect of other environmental conditions, such as wind and humidity.
- ☑ E. The worker is subject to extreme heat. Temperatures above 100 degrees for periods of more than one hour. Consideration should be given to the effect of other environmental conditions, such as wind and humidity.
- ☑ F. The worker is subject to noise. There is sufficient noise to cause the worker to shout in order to be heard above ambient noise level.
- ☑ G. The worker is subject to vibration. Exposure to oscillating movements of the extremities or whole body.
- ☑ H. The worker is subject to hazards. Includes a variety of physical conditions, such as proximity to moving mechanical parts, moving vehicles, electrical current, working on scaffolding and high places, exposure to high heat or exposure to chemicals.
- ☑ I. The worker is subject to atmospheric conditions. One or more of the following conditions that affect the respiratory system or the skin: fumes, odors, dust, mists, gases, or poor ventilation.
- ☑ J. The worker is frequently in close quarters, crawl spaces, shafts, manholes, small enclosed rooms, small sewage and line pipes, and other areas that could cause claustrophobia.
- ☐ K. The worker is required to function in narrow aisles or passageways.
- ☑ L. None. The worker is not substantially exposed to adverse environmental conditions (such as in typical office or administrative work
